SOLIDWORKS INSTALLATION FOR WINDOWS ONLY

5)

Follows these 12 steps for connecting to VPN

SOLIDWORKS INSTALLATION (You must be connected to VPN for these steps)

1. Download the Zip folder from the following link: (the size is 13.6 Gb!!)

   ftp://ftp.iitb.ac.in/IITB_private.x/SolidWorks/2019/

2. Unzip the folder and run .exe file for installation. Use the license key and server port info given in .txt file

Raise any issue you face in the group. Remember this is optional and you may not install the software at all.
